

# The Constitution is Alive and Well !

Citizens for Justice, invite you attend a Freedom Seminar

Featuring:

**Jack and Margy Flynn**

**Friday, Saturday & Sunday, September 21st, 22nd & 23th**

Jack and Margy are true Americans who have successfully used the power and authority of the Constitution to win over "300 cases" in New Mexico. They "**WIN**" because they establish the Constitution for what it is: The Supreme Law of the land. Their Constitutional methods are very effective!

Jack and Margy will share their procedures in this two & 1/4 day seminar. Learn how to be effective in getting the Rights secured for you by the Founding Fathers. Learn why your documents get ignored and how to correct that problem. Learn what can be done about corrupt public servants. Learn that with the power of the Constitution, Law does exist in these united States of America for those who **know** and understand **how** to apply it.
