***The Unincorporated Business Organization Trust is now available in a powerful affiliate program.***

Wouldn't it be great to share this powerful and secure business organization package with your friends, families and others - and get paid for it? Sure it would. Now you can.

Delta Spectrum Research has developed a two-level affiliate program that will market this trust 24/7. The only thing you have to do is paste a little code to your web site, on your letterhead or business card and every time someone buys a trust using your private code number - you get paid. You will receive 10% of the purchase price. And that is not all - if any of those customers elect to use our affiliate program you will get an additional 5% of everything they sell. The Big News is this whole package is FREE! You already bought your trust. Now sign up, paste some code and you're in business! Ad banners are provided for download or you can use linked text. More ad tools and products will be added from time to time.
